Guide

Welcome to Troop 811

For many parents, the transition from Cub Scouts to Boy Scouts is nothing short of heart wrenching. If you were a leader or just an active parent and were so used to “doing everything” for your son, this is going to be a whole new experience. The Boy Scout Program is Boy led. What that means is that we give our sons the opportunity to lead each other in a safe and controlled environment. They set their own program and execute it through the guidance of our Scoutmaster. If you are a closet “helicopter parent”, this is going to be difficult to watch. We never want our children to struggle. However, if we continue to speak up for them, continue to coddle them, they will never know what they can accomplish on their own. Troop 811, like all Boy Scout troops, gives our sons the opportunity to make mistakes. As parents of older scouts can attest, what better place to make a mistake than in a place surrounded by your friends?

Does that mean that we don't do anything? The answer is “No”! We are here to provide them the support. That's why we have the Troop Committee and the Assistant Scoutmaster program for you to join. We give you every opportunity to be involved because, frankly, without your help, the Troop does not go.

Be patient and we can tell you that it will pay off. You will be amazed at what you son will learn to do and what he will teach others to do. In 2012, Boy Scouts of America said that 7 percent of all Boy Scouts earned the Eagle Scout rank so not everyone will attain this rank. However, if you speak to any adult leader who were scouts themselves, you will hear that no matter what rank they achieved as a youth, the lessons they learned in that very short time have been with them to this day.

Welcome to Troop 811. We hope your son and your family have a great time.

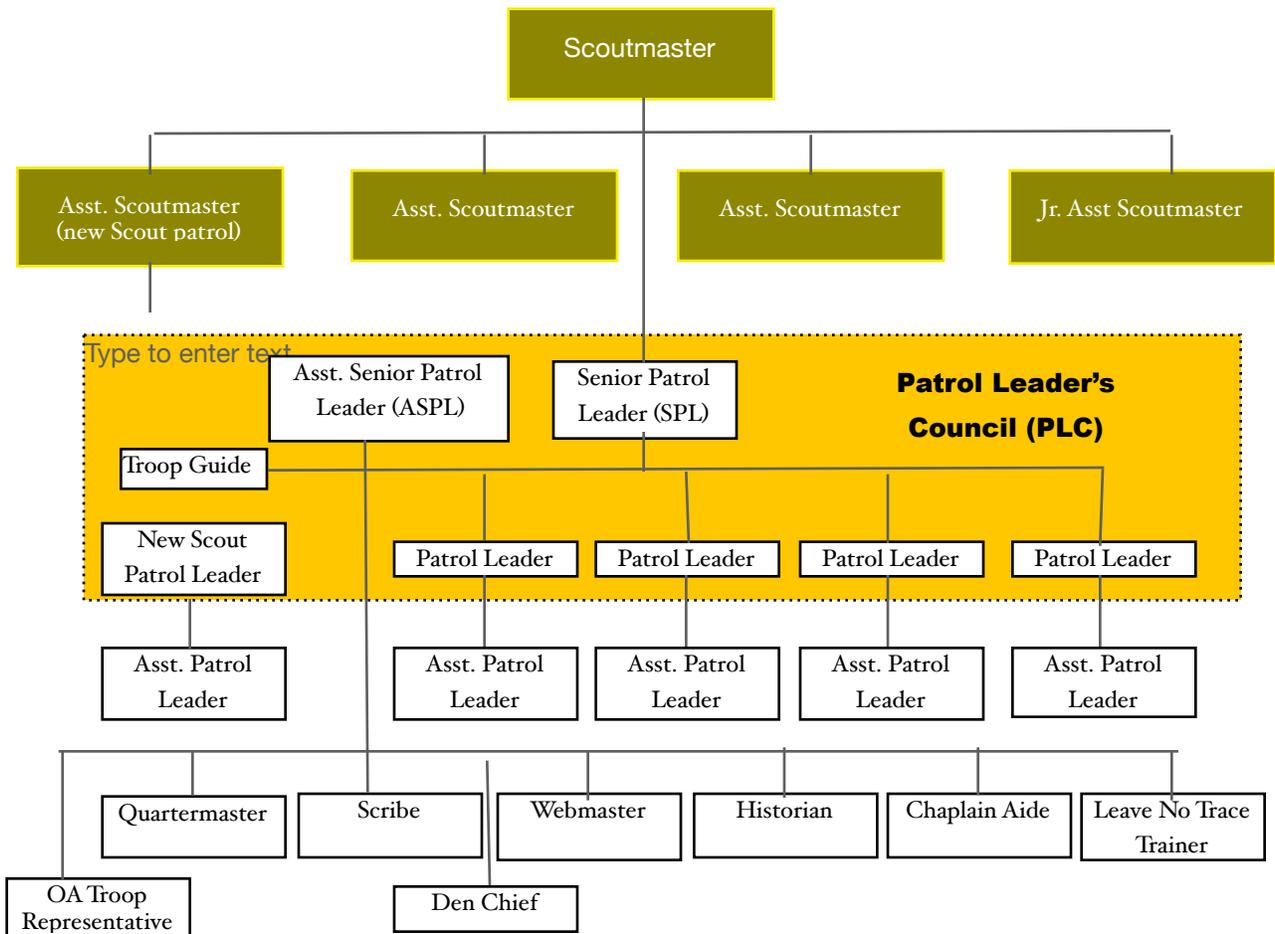

Yours In Scouting,

Steve Swanson
Committee Chairman

The Patrol Method

Patrols are the building blocks of a Boy Scout troop. A patrol is a small group of boys who are similar in age, development, and interests. Working together as a team, patrol members share the responsibility for the patrol's success. They gain confidence by serving in positions of patrol leadership. All patrol members enjoy the friendship, sense of belonging, and achievements of the patrol and of each of its members.

Our patrol leadership is elected every 6 months (February and August). We currently have 6 patrols consisting of 5-6 scouts: Delta Force, Flaming Eagles, Panda, Purple Flaming Penguins (PFP), Sharpshooters, and Vipers.

~I believe and support the goals of scouting. I enjoy helping the young men learn scouting and life skills, and watching them develop into men of character. I enjoy spending time with my son doing scouting activities. I enjoy the camaraderie with the other scouting leaders. Scouting and scouting activities are very enjoyable to participate in, and very rewarding watching the scouts in action

In this fun environment, my son is understanding the meaning of loyalty, commitment, faith, trustworthiness, and kindness. At the end of the day, I want to look back and say I was a good influence on my son and his friends. Scouting allows me to do just that.

Jim Root- Assistant Scoutmaster

Alan was Star Scout in Troop 361 and has been an active Cub Scout and Boy Scout parent to his son, Bryce. As Events Coordinator he is responsible for obtaining all of the tour permits and securing venues for our outings.

~I believe that what our sons get out of the scouting program is directly related to the parental involvement. I have a saying, "Scouts come of age when the parents engage".

Michelle Ruegg

(michruegg@yahoo.com)

Michelle has spent a good part of the last 25 years in scouting. She has watched her 3 sons through the scouting program from Tigers to Eagle. She was the Troop Committee Chair and currently sits on the Eagle Boards of Review.

~I am a Scout leader (Cub, Boy, and Girl Scout) because I have been able to interact with my sons and daughter and influence them in a positive way. I have had fun with them and their

friends and watched them grow in to leaders. I've gone to many scout training classes and loved learning what they taught. It has been a great experience with all 4 children.

Troop 811 Youth Leadership

Senior Patrol Leader

The Senior Patrol Leader is the youth leader elected by the members of the troop who will serve for 6 months. He is in charge of the troop meetings from beginning to end and sees to it that the meeting is run in an orderly and timely manner. He is in charge of the outings and leads the PLC (with guidance by the Scoutmaster). He also selects his two Assistant Senior Patrol Leaders who he assigns various projects.

Assistant Senior Patrol Leader

As the assistant, this youth leader takes the place when the SPL is absent. He helps train the troop quartermaster, scribe, Order of the Arrow representative, historian, librarian, and instructors.

Patrol Leader

This leader is elected by the members of his patrol every 6 months. He helps with patrol activities and represents the patrol in the PLC meetings. He appoints an assistant patrol leader to serve with him.

Troop guide

He is a leader and “mentor” to the members of the new Scout patrol. He is usually a First Class rank who provides direction, coaching, and support as determined by the skill level and morale of the patrol leader and members of the new Scout patrol. He is guided by the new patrol ASM's.

Quartermaster

He is in charge of the supplies and equipment. He keeps a current inventory and sees that the equipment is in good condition.

Scribe

The Troop's secretary. He attends PLC meetings and keeps a logbook of discussions. He also keeps track of troop attendance.

Order of the Arrow representative

Serves as a link between the troop and the Order of the Arrow lodge. He promotes OA in the troop while encouraging year round and resident camp in the troop.

Historian

Collects pictures for the troop and presents slide show during Court of Honor

Webmaster

Assists with keeping the website up to date.

Chaplain Aide

Assists Troop Chaplain in religious services for the troop. Leads prayer during meetings and outings.

Den Chief

Meets with the Den Leaders to help their adult leader guide Scouts in their program.

Junior Assistant Scoutmaster

A Scout who is at least 16 years old and an Eagle Scout who has shown outstanding leadership skills. These young men follow the guidance of the Scoutmaster in providing support and supervision to other boy leaders in the troop.

Troop Meetings

Troop Meetings

Troop meetings are held every Tuesday from 7:00 - 8:30 pm at the St. Angela Merici Parish Hall. Changes to location will be send via email, Facebook, or website.

Attendance

Scouts may be dropped from the active roster if they do not meet the attendance guidelines outline in the troop by-laws. As scout is considered to be inactive if he missed more than 50% of the troop meetings or attends less than four outings in a twelve-month period.

Behavior

Boy Scouting is a values-based program, and Scouts are expected to live to the standards of the Scout Oath and Scout Law. The Scoutmaster has the discretion to deal with any behavior problems, as outlined in the troop by-laws. Hazing and other forms of harassment are strictly prohibited.

Uniform

Class A uniforms are required at Tuesday Troop meetings, Courts of Honor, and travel to and from Troop outings. Class A uniforms included BSA shirt, pants/shorts, belt, socks, troop neckerchief and neckerchief slide. Scout cap is optional.

Class B uniforms can be worn during summertime Troop meetings from June-August. This is identical to the Class A uniform except a red Troop 811 shirt replaces the BSA shirt, neckerchief, and neckerchief slide.

Boy-Run Troop

Troop 811 is a boy-run troop, and the youth leaders serving on the Patrol Leader Council, under the guidance of the Scoutmaster, plan meetings, and outings.

What to Bring At Meetings

Every Scout should bring their Scout handbook and a pen to every meeting. The Scoutmaster and/or Assistant Scoutmasters will be in attendance to review and sign off any requirements earned at home.

Theme

At the annual planning meeting, the PLC's designates a theme for each month. The patrol in charge for that month is responsible for the theme related activities at the Troop meetings. Outings, both major and minor, will try to encompass that theme.

The Clipboard

Sign up!

The Clipboard is a physical and virtual sign-up sheet. About 2 months prior to every event, this sheet will be posted on The Clipboard on the tables at the meetings and on the website. It is the Scout's responsibility to check the Clipboard and sign up on their own. It is also their responsibility to inform their parents that they want to participate. Once signed up, their spot is reserved. This is a great place for parents to sign up for activities they would like to participate in with their sons.

All of these events will require that scouts have an BSA Activity Consent Form (ie. permission slip) signed by their parents no later than the second Tuesday prior. All payments are also due at that time.

If the Scout is unable to participate, he MUST inform the Webmaster and the Activity Coordinator to remove his name from the list. If he does not attend and did not inform the Webmaster and Activity Coordinator, he will forfeit the money he has already paid or will be asked to pay for any food that was purchased for him.

Advancement

Advancement

Each scout is responsible for his own advancement. The Scoutmaster and Assistant Scoutmasters sign off requirements for the Tenderfoot, Second Class, and First Class ranks. Scouts may work on requirements for different ranks simultaneously, as long as prerequisites are met. For Star through Eagle ranks, the Scoutmaster, or delegate, signs off all requirements except merit badges earned. For merit badges earned, the Advancement Chair signs off this requirement.

Trail to First Class

Scouts are strongly encouraged to attend the skills meeting on the first Sunday of each month at Hugo Hall. The Assistant Scout Masters and Troop Guides will be teaching skills that are outlined in the Scout Handbook for Scout, Tenderfoot, Second Class, and First Class Ranks.

Red Book

Each new Scout receives a Red Book upon entering the troop. Scouts (not their parents) should keep their Red Books updated, including outings, service hours, and leadership positions. Scouts should also keep their merit badge blue cards and rank advancement placards in this book. Scouts must bring their Red Book to the Scoutmaster Conference and Board of Review.

Scoutmaster's Conference

The scoutmaster authorizes those who may test and pass the Scout on rank advancement. For all rank requirements, except for the ones pertaining to demonstrating scout spirit, scoutmaster conference, and boards of review, the scout is tested and passed by the scoutmaster, assistant scoutmasters, or Junior Assistant Scoutmasters.

Once a Scout has completed all of the requirements for a rank advancement, he (not his parents) should sign up for the Scoutmaster Conference. At this conference, the Scoutmaster will test the Scout's knowledge of rank requirements, provide counseling, review requirements for the next rank, and determine if the Scout is ready for the Board of Review.

Board of Review

Association with adults is a key component of Scouting, and the final requirement for each rank is a Board of Review. The Board consists of 3-4 troop adults, but may not include the Scoutmaster, and it is scheduled upon completion of the Scoutmaster Conference. The purpose of the Board of Review is not to retest a Scout, but rather to ensure that he has completed all the requirements, to determine the quality of his troop experience, and to encourage him to advance toward the next rank. Scouts must wear their Class A uniforms. First Class rank and higher, the Scout must wear their merit badge sash. They must bring their Scout Handbook and Red Book. Upon successful completion of the board of review, the scout brings his book and advancement form to the Advancement Coordinator for recording

Court of Honor

The Troop holds two Courts of Honor a year. The Spring Court of Honor is in May and September. Families are strongly encouraged to attend to formally recognize our Scouts for their achievements during the half of the year.

Merit Badges

Earning Merit Badges gives the Scout self-confidence that comes from overcoming obstacles to achieve a goal. Through the Merit Badge program, a Scout also learns career skills, develops socially, and may develop physical skills and hobbies that give him a lifetime of healthful recreation.

An important aspects of the Merit Badge program is the social skill a boy will develop from having to contact an unknown adult (Merit Badge Counselor), set up an appointment, and meet with that person.

Blue Card

Before starting a merit badge, Scouts must receive a signed merit badge Blue Card from the Scoutmaster. The Blue Card shows that the Scout has permission to begin the merit badge. The Scout should bring the Blue Card (with all required information filled out) to his first meeting with the merit badge counselor.

Upon completion of the merit badge, the 3 part Blue Card will be signed and two of the 3 segments will be returned to the Scout. The scout must present the completed Blue Card to the Scoutmaster for another signature. The he presents it to the Advancement Coordinator in order for the merit badge to be recorded, purchased, and presented to the scout at the next Troop Meeting. At the Court of Honor, one segment will be given back to the Scout so he can put it in his Red Book.

Merit Badges

There are over one hundred Merit Badges available to Scouts. Most of these are designed to introduce Scouts to a skill or hobby. Fifteen of these Merit Badges are designated as **Eagle-required**. A Scout must earn thirteen of these fifteen and a total of twenty-one Merit Badges to earn the rank of Eagle. A list of them are on the Website.

To earn a Merit Badge, a Scout simply:

- Selects a Merit Badge he wants to work on
- Fills out his information on a blue card
- Discussed the merit badge with his scoutmaster, and has the scoutmaster assign him a merit badge counselor
- Fills in the Merit Badge Counselor information
- Obtains a signature from the Scoutmaster on the front of the blue card authorizing him to work on the Merit Badge (blue cards signed by a Counselor before obtaining this authorizing signature will not be signed by the Scoutmaster)
- Calls the Merit Badge Counselor to schedule an appointment
- Obtains a copy of the Merit Badge booklet
- Works on the requirements as defined by the counselor
- Meets with the counselor (Be sure to have a parent with you)
- Completes all the requirements for the Merit Badge
- Obtains the Counselors signature on the blue card (the counselor will keep his copy)
- Returns the two remaining sections of the blue card to the Scoutmaster for his signature
- Turn in the completed blue card to the Troop Advancement Chair

Various troops throughout the Orange County Council put on Merit Badge Days giving scouts a chance to earn both types of merit badges. Although we generally have no problem with the non-Eagle Required Merit Badge, Troop 811 recognizes that many Eagle Required Merit Badges put on by these troops fall short of our expectations and blue cards will not be approved for earning these Eagle MBs and MB Days.

Fundraisers

PANCAKE BREAKFAST AND SPAGHETTI DINNER

These are our biggest fundraisers for the year. The money we raise goes into supporting the program the boys want to run and to raise money for the Scouts to go to camp. All Scouts are expected to participate unless excused by the Scoutmaster. Pancake Breakfast occurs in **March** and the Spaghetti Dinner in **October**. Both events will take place at St. Angela Merici Parish Hall.

Scouts have three main responsibilities. The first is to sell Tickets. 4-6 weeks before the event, Scouts will receive an envelope with 5 tickets inside. If they need more, the Scout will ask the Fundraiser Committee for them. Each scout **MUST** sell a minimum of \$60 worth of tickets otherwise they will be asked to pay \$60 to the Troop directly. Once a scout sells his minimum, he will receive 50% of every sale he makes. This will go into his scout account.

The second is to assist in the set up and take down of the hall before and after the event. This includes table and chair placement, decorations, and clean up.

The third, is to help serve all of our guests. This includes busing tables, serving guests their food, supplying drinks and dessert. Scouts will be monitored closely by the Scoutmaster, Assistant Scoutmaster, and Senior Patrol Leader to assure that no single scout carry all the workload. This is a shared effort among all scouts and as such, each must share the responsibility. The SPL will make the final assignments.

At no time, during these two events will electronic devices and cell phones be used. Scouts found using these devices will be asked ONCE to put it away. If the Scout is caught using it again, it will be confiscated.

All parents are strongly encouraged to volunteer. Adult roles will be posted for you sign up

Volunteering

The success of Troop 811 is in large part a result of parents who see the value in the Boy Scout program. This is a volunteer program but as one leader says "Scouts win when parents pitch in". Please consider going to at least **two** outings a year. This will ensure that our Scouts will have adult supervision at every event.

By simply being registered, you are part of Troop 811 Parent Committee. We meet the **second Tuesday of every month** and discuss budget, policy, and unit events. You may also be called in to sit on the Board Review for Scout Rank Advancement. You are also welcome to go on all the outings with your son as long as you have completed the necessary training. This is important because without enough adults, we will not have enough drivers driving the scouts to the various events. Further, we ask that you participate in the two Fundraisers and the Courts of Honor.

Below is a small list of volunteer opportunities. If you have any questions, please contact our Committee Chairman or Scoutmaster.
